

Hospital Expectations

Our physicians deliver babies at both **Baptist Women's Hospital** and **Methodist Hospital Germantown**. Your insurance coverage will normally determine the location of your delivery.

During your early pregnancy you will meet with our obstetrical patient representative who will discuss fees, insurance, and hospital issues with you. A maternity packet with hospital registration forms will be provided for you. Be sure to complete these forms and submit them to the hospital where you will deliver prior to your due date.

Both hospitals offer classes specific to pregnancy and childbirth, as well as classes for dads, grandparents, and siblings. Tours of labor and delivery are also available. We encourage you to contact your hospital of delivery for further information or to schedule classes.
